

ART TAG

Sunday, August 27th is Art Tag. We meet in the community Center in Point Richmond at 1p.m. and set up our art pieces. We start our sharing by 1:30 at the latest and should be through about 3:30. Invite your friends and fellow artist to attend.

Following is a full description of the process.

Art Tag Description and Procedure for Producing and Sharing 3 Original Pieces of Art.

1. Have a meeting and choose a theme. Draw numbers to indicate to whom art work should be sent or delivered. Mark on calendar the dates for sending or delivering 2 pieces of original art to a partner and mark the date for the gathering where the third piece will be presented and a new theme chosen.
2. Make an art piece related to the theme (piece 1).
3. By a specific date, each participant delivers their theme inspired art (piece 1) personally or by mail to the person whose name was chosen at the theme choosing meeting.
4. Each person receives a piece from a designated person in the group.
5. Each person who received an art piece will use that pieces as an inspiration as well as the theme for an inspiration for the second piece.
6. By second designated date, send or deliver the second art piece to same person as before (piece 2).
7. Use second received art piece for inspiration in conjunction with the theme to create the third piece.
8. Bring the third piece and the partners other pieces to a meeting where each person will share their experience of creating work related to the theme and how their partner's work influenced them.
9. Try new things and have fun.
